Check the website for up-to-date details.

LEARN ABOUT THE IMPORTANCE OF BREATHING CLEAN AIR

Monday 5 September, 18:00 – 20:00

Royal College of Physicians
11 St Andrews Place, London NW1 4LE

(Nearest tube stations: Great Portland Street or Regent's Park)

- **Learn about how air quality impacts our lung health**
- **Hear about the latest research in the field**
- **Ask lung health experts your questions**

The European Lung Foundation is holding a free event for members of the public to learn more about lung health.

This is being organised in connection with the European Respiratory Society International Congress, which attracts 25,000 healthcare professionals from around the world to London to discuss breakthroughs in lung research and care. Light refreshments will be served at the start of the evening.
