

GPC2016 registration

User troubleshooting

Some Windows 8 Internet Explorer users may have an issue accessing the [registration form](#) for the 7th Global Patients Congress. Please try the solutions below.

Solution 1

Try accessing the page through a different internet browser, e.g. Google Chrome, Safari or Mozilla Firefox.

Solution 2

Go into the Internet Explorer 'internet options' and ensure that TLS 1.1 and 1.2 are selected (in addition to SSL 3.0).

Still unresolved?

If problems still persist, please email carol.stevenson@novusmem.co.uk for further support.
